Story elements are the key factors that make up or build the story. This includes the characters (the main figures that move the story along in time or space), the setting (the location, place and time) and the plot (the sequence of events). Many teachers in primary grades also would include the main idea as a key story element.

Picture books help writers see that even short stories can be written well. What is a literary technique? Don't be confused. Literary techniques are not the same as literary elements. Both are important in writing! I like to think of literary elements as the building blocks of a story, while literary techniques use words artistically.

## **Picture Books to Teach Literary Techniques**

Teaching with picture books is becoming more and more common in schools, from grade 2 through grade 12. I aim to teach with picture books too. To help writers use picture books to learn writing techniques for their own writer's craft. Using picture books to teach writing will hopefully be just as much fun for you as it will be for me.
