### Patriarchy and Accumulation on a World Scale

Patriarchy and Accumulation recuperates, for a younger generation radicalized by the Occupy movement and the movements of the squares, the radical core of feminism, buried under years of institutional co-optation and postmodern denial of any ground of commonality among women. It recuperates the sense, so strong in the early phase of the feminist movement, that to speak of women is to touch something very fundamental in history and our everyday lives.

### **Patriarchy and Accumulation on a World Scale eBook by ...**

'In Patriarchy and Accumulation on a World Scale, Maria Mies drew connections between two structures of domination that had previously been viewed separately. In showing the convergence between patriarchy and capitalism, she has pushed intellectual boundaries, and has enriched feminism, women's struggles, and movements for social and economic justice.

### **Patriarchy and accumulation on a world scale : women in ...**

Maria Mies Patriarchy and the Accumulation on a World Scale. This book provides a most important analysis of the relationship between patriarchy and capitalism. Maria Mies' thesis is that patriarchy is at the core of capitalism, and in fact, capitalism would not have had its success in its accumulation of capital without patriarchal ideals and practices.
