Terms and conditions | AAK

Winter is the coldest month in the UK, running roughly from December to February (although November can often suffer very wintry conditions too). Temperatures often get as low as freezing point (0 o C), though not too much colder usually. This leads to frost in the mornings, ice on car windscreens and roads, and sometimes snow fall.

UK Weather - Guide to the Seasons | Foreign Students

Also, while waiting for Season 7, die-hard fans can actually go to the island for a tour. This might be the greatest thing to offer to its fans as it takes you closer to the storied island.
