format – users of other ebook readers will need to convert the files – and you must be logged into your Amazon account to download them.

## **Shadowland Voyager Classics**

Shadow-Land is constructed as a kind of... biography of sorts. The narrator has only a fleeting connection to the events in the story, retelling the gruesome experiences of the protagonist and his companion. The book is also broken into two parts, the first focusing on the rough experiences of boys in a tyrannical school environment, the second half focusing on the "protagonists" on the private estate of an eccentric (and sinister) stage-magician.
