Although very uncommon, shungite can prompt a healing crisis. If you suddenly begin feeling worse instead of better when you start wearing your shungite jewelry, or when you start placing shungite nearby, you could be experiencing a healing crisis. This is also known as a “detox reaction,” “Jarisch-Herxheimer” reaction, or “die-off.”

Extract from Shungite Protection, Healing, and Detoxification. By Regina Martino. Found near the small village of Shunga in Russia, the remarkable mineral known as shungite formed naturally more than two billion years ago from living single-cell organisms. Used in Russian healing therapies since the time of Peter the Great, shungite contains

Shungite Stone is as unique as it is mysterious. Its origins are unknown and its physical properties are mystifying. Although Shungite is quite plentiful now, there is a single finite source and it will eventually be depleted. I stumbled upon Shungite while searching for different ways to purify water without chemicals.
