### Spiritual enterprise : doing virtuous business : Malloch ...

The virtues of business are: faith, honesty, gratitude, perseverance, compassion, forgiveness, patience, humility, courage, respect, generosity, discipline, chastity and thrift. The most important component in spiritual entrepreneurship is faith. Faith, hope and charity are the subject of chapter 3.

### Doing Virtuous Business: The Remarkable Success of ...

A central strength of Spiritual Enterprise is that it offers a legitimate critique of capitalism's ability to be uplifting and em- powering when there is an absence of moral foundations and influence. According to Michael Novak, who wrote the book's introduction, Spiritual Enterprise is "capitalism in its most profound and important form." Without virtue or some form of spiritual capital on a company's balance sheet, its priorities and decision making could degenerate into the ...

### Spiritual enterprise: Doing virtuous business | Acton ...

What I hope to have argued here and in my text — has indeed shown that business is a spiritual enterprise. Virtue endures and spreads because it is sustained by and through faith. The spiritual capital built up by previous generations can be borrowed and invested by others who do not have the faith to renew it, though at some point it surely must be renewed.

### Doing Virtuous Business | Theodore Roosevelt Malloch

The motives of spiritual enterprise are to manufacture a product or provide a service that satisfies a legitimate need, to treat employees and customers humanely, and to further "hard virtues," identified by Malloch, such as leadership, courage, patience, perseverance, and discipline, and "soft
